OUR HOME, THE LONDON IRISH CENTRE

At the heart of the London Irish Centre is our Hub Bar. Providing the warm welcome you would expect from any Irish venue.

The perfect place for a reception area, reception, break out space, or simply a place to relax and enjoy.

From our commercial activities up to 6.2% of all money generated from events and catering goes directly to the London Irish Centres' charity, who we actively support and contribute to. This helps maintain their infrastructure and growing need to help the Irish community in London.

such high competitors in the market..

"The whole day went very well, and all LIC staff were extremely helpful. Lunch was a great success, borne out the number of people who went back for seconds. Serving such a large number of people went without a hitch and we were impressed by how unobtrusively staff managed to set up and clear away refreshments."
